

## DONAU SOJA CODE OF INSPECTION BODY: **AT-DS-02**

### SGS AUSTRIA – WHO WE ARE

As accredited inspection body for the areas GMO-free production (Codex Guideline), EU Organic Regulations as well as other recognized standards, SGS Austria has long-standing experience in the food and feed sector.

Due to the great presence of SGS and its affiliates within the “Donau Soja” region and the resulting knowledge of regional circumstances as well as our great pool of highly qualified staff, SGS can guarantee an optimum service for its customers.

### SGS – WHAT WE ARE OFFERING

We would be happy to take over inspections according to “Donau Soja” standard and “Europe Soya” standard for your enterprise and are always there to provide you with information without obligation. As we are also active in other fields as mentioned above it is possible to provide our customers with a suite of services to meet the needs of every sector, e.g.

- Non GMO, Organic
- GMP+, QS or pastus+
- Transportation, Logistics and Trade Services
- Inspection services & sampling

- Grain, Feed and Food Testing
- Pest Control & Fumigation Services
- And more...

### YOUR BENEFITS OF BEING CERTIFIED BY SGS:

- Cost-effective and customer-oriented set of solutions
- Independence and confidentiality
- Highly qualified and experienced staff
- Fast and efficient execution of your requests
- If different certification schemes are requested they can be combined in a single cost-effective audit
- SGS own accredited laboratories offer a wide spectrum of food and feed analyses, such as PCR testing

### SGS IS THE WORLD’S LEADING INSPECTION, VERIFICATION, TESTING AND CERTIFICATION COMPANY

SGS is recognized as the global benchmark for quality and integrity. With more than 90,000 employees, SGS operates a network of over 2,000 offices and laboratories around the world.

### SGS IS ABLE TO OFFER CERTIFICATION SERVICES IN ALL COUNTRIES IN THE “DONAU SOJA” REGION.
