

Donau Soja is a non-profit European organization based in Vienna with offices in several South-East European countries. We are committed to the Europeanization of protein supply based on sustainably grown, non-GMO soybeans from the Danube region and Europe.

Our mission: Donau Soja supports its partners and members in answering social, ecological and economic challenges in the production and consumption of soy.

The aim is to improve efficiency, equity and sustainability in the protein value chain for food and feed in Europe. Find more information here: www.donausoja.org

DIRECTOR STANDARD DEVELOPMENT AND QUALITY MANAGEMENT

(f/m/d; 38,5hrs)

You are looking for:

A purposeful job in an international environment!

We are looking for:

An experienced leader passionate about contributing to our cause and purpose with experience in standard development and quality management!

The association operates European standards for GMO-free and sustainable soybeans. As a standard holder of these international quality standards with a focus on sustainability, GMO-free and traceability, we are looking for a dedicated leader:

Your area of responsibility

- Responsible for the implementation of the existing Donau Soja quality standards into a control system including an IT database.
- Responsible for the further development of the Donau Soja quality standards including preparation of documents belonging to the quality standards.
- Responsibility for the integrity program and control of the implementation of quality standards
- Leading the dedicated QM team and coordinating the Quality Assurance team within the organization plus budget responsibility
- Coordination with other relevant standards and implementation of recognitions and benchmarks

Job profile

- Degree from a technical college or university in the agri-food sector or equivalent work experience
- At least 3-4 years of work experience in relevant areas incl. management tasks
- In-depth knowledge of quality assurance programs and certification standards
- High level of motivation and initiative
- Systematic way of working, ability & passion to work in and with a team.
- Gender, diversity and environmental competence to be able to promote Donau Soja & ADA values.
- Very good knowledge of German and English are prerequisites, CEE language is an advantage.
- Very good knowledge of MS Office

We offer you

- Contribution to shaping the future of an organization committed to sustainability.
- Working at the interface between the private sector, politics, and civil society
- Being part of a committed and international team (colleagues from seven European countries)
- Modern office in an old attractive inner city building in Vienna (close to Schwedenplatz with excellent public transport options) adjusted to different activities & needs.
- Hybrid office: (also) working from home is common standard.
- Working hours per week: full time (38,5hr)

Donau Soja and Austrian Development Agency (ADA) have a long-term cooperation within the Strategic Partnership Programme in Moldova, Ukraine, Serbia and Bosnia and Herzegovina. This position will be connected to implementation of Strategic Partnership Programme activities.

Donau Soja is committed to achieving diversity within its workforce, and encourages all qualified applicants, irrespective of gender, nationality, disabilities, sexual orientation, culture, religious and ethnic backgrounds to apply. All applications will be treated in the strictest confidence. We are an inclusive employer and welcome parents returning from parental leave.

For this position, we offer an attractive salary that matches your qualifications and experience. For legal reasons, we would like to point out that a minimum salary of EUR 4300,- gross per month (full-time basis) applies. Overpayment is possible with appropriate professional experience and qualifications. If you want to contribute to the vision of Donau Soja and this many-sided position appeals to you, we are looking forward to receiving your application: <https://smrtr.io/j3GtV>
