DS/ES Scope (A02 Primary Collector/Storage, A03 Trader and/or A04 Primary Processor/Oil Mill)

are applying, in line with Annex 08 of the Donau Soja / Europe Soya Guidelines, for recognition of raw soybeans from the following alternative systems:

- ProTerra
- DTP 112
- AACSPplus
- AACCS with AACSPplus
- ISCC Plus
- ISCC EU
- REDcert<sup>2</sup>
- REDcert EU with REDcert<sup>2</sup>

We confirm that we hold all valid certifications where relevant and have all necessary certificates for the goods. Furthermore, we confirm compliance with the conditions of recognition as laid out in the letter of recognition of the respective alternative system, as well as compliance with all applicable requirements of Annex 08. This includes especially the submission of quantity declarations of soybeans from alternative systems to the contracted certification body and Donau Soja ([quality@donausoja.org](mailto:quality@donausoja.org)).
