## GENERAL INFORMATION

We cordially invite you to position your organisation at the heart of the European soybean community by joining the **Donau Soja General Assembly and Networking Event 2026** in Vienna.

Hosted at [Reitersaal in the OeKB](#) in Vienna, this flagship gathering is more than an event – **is a long-standing tradition – a meeting place where partnerships are built, strategies are discussed, and the future of European soy and plant protein is shaped together.**

Gain premium visibility, connect with industry leaders and decision-makers across value chain, and showcase your expertise in driving transparency, innovation and food security in sustainable European protein supply.

We look forward to welcoming you as a valued partner of this unique community gathering in 2026.
